

NWSBL Jamboree

Free Throw Contest Rules

1. Tournament Director is Paul Ferry, CDAA, or his designee.
2. No protests are allowed. Referee's and/or tournament director's decisions are final.
3. Free throw will have preliminary rounds all day on Saturday. Participants can show up at the shooting courts (West courts in the Champlin Park field house) at their discretion during the preliminary rounds, sign in and complete their preliminary score(s). Two preliminary round scores are allowed, but only one preliminary round is required. The highest score for an individual round will be used to determine finalists. The two rounds are NOT combined.
4. The top three scores, and any ties, in each contest will advance to the finals. The finalists will be posted at the start of play on Sunday.
5. ***Finals are held at noon on Sunday. You must report to the shooting contest court at noon to check-in and compete.***
6. In the preliminary and the final rounds, up to 3 warm up shots are allowed. If the shooter doesn't state otherwise, the first 3 shots are warm ups. The shooter then shoots 10 consecutive free throws.
7. In the finals, the lowest preliminary round goes first and the highest preliminary round score goes last.
8. In the event of a tie, the contestants will have an alternating shot sudden-death shoot off, in the same shooting order.
