

NWSBL : Reporting Scores

CDAА Basketball is volunteering to assemble and maintain the league standings and post it on its website for the 2009-2010 NWSBL season. Coaches should send scores to Jim Anderson and Kevin Loegering at the following e-mail account:

E-mail: **basketball-scores@cdaasports.org**

Scores will only be accepted by e-mail. If you do not have access to e-mail, please find a parent to volunteer to report scores.

Win OR lose, coaches are asked to report scores. Because scores from several leagues are being forwarded to this address, please begin the subject line of your e-mail with your NWSBL team number (example: B801 or G72). It is important that you provide the following information each time:

- **Date of Game**
- **Time and game location**
- **Both teams' official league names (example: "B63 or G601)**
- **Score**
- **Name and Phone # of coach (if there are questions)**

The website, www.cdaasports.org, will be updated weekly. Please try to report your scores by Monday evening to allow the scores to be compiled in a timely and complete manner.

NOTE: If both teams report results and they are the same as far as winner or loser, but the scores are different, i.e. 54-47 vs. 52-48, the first score reported will be considered the correct score, unless a formal protest is filed with supporting evidence, such as a scorebook. CDAА will do its best to have the new standings available before the next week's game. These will be the official standings used to determine year-end seeding in the tournament so check it for accuracy.

Thanks in advance for your cooperation in forwarding your scores in a timely manner. Good luck with your season.
